**Bogeywoman (Vintage Contemporaries)** Jaimy Gordon

A *Los Angeles Times* Best Book of the Year

National Book Award Winner Jaimy Gordon's bold and daring coming of age novel combines the teenaged angst of *Catcher in the Rye* with the humor and tragedy of *Girl, Interrupted*.

Ursie Koderer knows herself to be a monster--doomed to be different from other girls--very different. When she's discovered cutting herself at camp, she goes AWOL, and lands in a Baltimore psychiatric hospital. Ursie, now known as the Bogeywoman, joins up with the other misfits on the adolescent ward. They start a bughouse rock group, steal a nitrous oxide machine. As a mental patient Ursie is a success. But then she's implicated in the accidental burning of a friend. Locked away, the Bogeywoman meets the beautiful, mysterious Doctor Zuk, a woman psychiatrist from somewhere east of the Urals. Their affair is the main event in this gorgeous novel of love, crime, liberation, and flight to something like a new world.

*From the Trade Paperback edition.*
