Halliwel's Who's Who in the Movies, 15e: The 15th Edition of the Bestselling Encyclopedia of Film, Actors, Directors, Producers, and Writers Leslie Halliwell

Now in its 15th edition, this classic movie reference, formerly known as *The Filmgoer's Companion*, has informed and delighted film fans for more than thirty years. Opinionated, witty, and packed with more information per square inch than any other film guide, *Halliwel's Who's Who in the Movies* is as wonderfully unclassifiable as it is impossible to put down.

Who's Who remains a treasure trove of information on who's who and what's what in the movies. Its more than 12,000 entries illuminate the stars of yesterday and today as well as the bit players and character actors, directors, producers, writers, cinematographers, composers, and all the other talent involved in making movies. You'll find sections on movie sequels, series, and remakes; themes and genres; technical terms; studios and production companies; cinema around the world; year-by-year listings of Oscar winners and other major awards; and a brief history of the movies from Chaplin to Carrey, Garbo to Kidman, Capra to Cameron.

This updated edition features hundreds of new entries and offers scores of "quotable quotes," ranging from the revealing to the revolting; in addition to being exceedingly entertaining, they add a human dimension missing from every other guide to film facts and figures. Upholding the outstanding tradition of Leslie Halliwell, editor John Walker delivers the lively humor and keen insight that have always been the hallmarks of Halliwel's.
