Kept (The Enforcers) Maya Banks

From the author of *Mastered* and *Dominated* comes the third Enforcers novel—the searing story of a woman who finds sanctuary in surrender...

He can't change who he is...

A horrific childhood has made Silas the man he is today: dangerous, distrustful, and demanding. He's lived in self-imposed solitude, convinced that no woman could ever accept his need for absolute control—in business and pleasure. That is, until a young violinist walks into one of his buildings and into his life.

She can't change what she wants...

Haley has been struggling to fulfill her father's dying wish: to attend a prestigious music school in New York City. But even working two jobs, she can't afford the tiniest of apartments. Seeing her hopeless and near tears, Silas vows to help and protect her, no matter the cost to himself. But when Haley meets his every demand with unwavering acceptance and love, he is overwhelmed by her goodness and gentle spirit. He knows that the dark stain on his soul can never be erased—and rather than risk destroying the most beautiful thing he's ever experienced, he knows he'll have to do the hardest thing he's ever had to face. Let her go. But he's totally unprepared for the lengths Haley will go to fight for his love and a future brighter than the sun...
