Smarter Budgets, Smarter Schools: How to Survive and Thrive in Tight Times Nathan Levenson

Virtually every school district in the nation is experiencing an extended period of financial constraints. Shrinking tax revenue, decreasing federal stimulus funds, rising health care and pension costs, and growing high-need student populations will continue to test superintendents and school boards as they seek to prepare students for a globally competitive environment.

Armed with real-world examples and out-of-the-box ideas, Nathan Levenson challenges conventional thinking about school budgeting and offers practical, actionable advice for school superintendents, central office leaders, building principals, and school board members.
