**The Justine Trilogy (3 Book Series)** Linda Lambert

## From Book 1:

When an earthquake nearly buries anthropologist Justine Jenner in an ancient crypt, she finds what appears to be an ancient codex which, if real, could radically threaten the world's great religions.

*The Cairo Codex* is a riveting novel of two women, two millennia apart, set in the exotic cultures of ancient and present-day Egypt. Dr. Justine Jenner has come to Cairo to forge her own path from the legacies of her parents, an Egyptian beauty and an American archaeologist. After an earthquake nearly buries her alive in an underground crypt, she discovers an ancient codex, written by a woman whose secrets threaten the foundations of both Christian and Muslim beliefs. As political instability rocks the region and the Muslim Brotherhood threatens to steal the Egyptian Revolution, Justine is thrust into a world where even those she trusts may betray her in order to control the codex's revelations.
