*The Big Picture* documents *Perfect World*, a 1999 installation that Jason Rhoades (1965–2006) created for the Deichtorhallen in Hamburg?an installation regarded by many as his most important project. This publication examines the work through photographs of *Perfect World*'s 1999 and 2000 iterations and its posthumous exhibition at Hauser & Wirth in 2010, when it was shown complete for the first time.
