Online Dating For Dummies Judith Silverstein, Michael Lasky

Chances are, you've heard about Internet dating from a friend, or an online banner ad has caught your eye. If you've given online dating a passing consideration, you may have some fears from all those graphic horror stories that jar your senses – and your sensibilities. Or you may think that meeting people via the Internet is only for the disenfranchised or socially unskilled.

From their own experiences, 20 million people can tell you otherwise. *Online Dating For Dummies* will get you off the fence and on the Internet dating path – with the skill of a seasoned pro. Like your best friend, this fun reference will give you the straight scoop on

- Gearing up with the right computer hardware
- Overcoming preconceived notions of who is online
- Talking the online lingo
- Enjoying conversation in chat rooms
- Considering date site options
- Establishing your screen identity
- Facing the consequences of not posting a photo

Internet dating is growing at double-digit rates every year, while other forms of finding a connection are flat or falling off. Internet dating, although far from perfect, is becoming the most effective and efficient method of getting introduced to a large number of available singles. *Online Dating For Dummies* shows you how to get your feet wet and how to dive in, making informed choices and exercising good judgment as you

- Sign up for a trial run on a dating site
- Try to describe yourself for your personal profile
- Initiate your first e-mail contact
- Make your first in-person meeting memorable
- Identify frauds and players
- Figure out what not to do if you really want to meet someone

Jumping into online dating with no preparation at all is possible – but not practical. If you follow the techniques in this friendly guide, your odds of meeting great potential matches will greatly improve, and you'll have far more fun in the process.

From reader reviews:

Susan Williams:

Nowadays reading books be a little more than want or need but also work as a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The information you get based on what kind of reserve you read, if you want attract knowledge just go with education books but if you want truly feel happy read one along with theme for entertaining for example comic or novel. The particular Online Dating For Dummies is kind of book which is giving the reader unpredictable experience.

Robert Penrose:

Information is provisions for individuals to get better life, information these days can get by anyone in everywhere. The information can be a expertise or any news even a problem. What people must be consider whenever those information which is inside the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take Online Dating For Dummies as the daily resource information.

Michelle Favors:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their down time with their family, or their very own friends. Usually they doing activity like watching television, about to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Might be reading a book might be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the publication untitled Online Dating For Dummies can be very good book to read. May be it could be best activity to you.

Sylvia Ferland:

Are you kind of active person, only have 10 or perhaps 15 minute in your moment to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short time to read it because this all time you only find publication that need more time to be study. Online Dating For Dummies can be your answer given it can be read by a person who have those short time problems.
