An easy formula for success.

With topics such as stereochemistry, carboxylic acids, and unsaturated hydrocarbons, it's no wonder so many students have a bad reaction to organic chemistry class. Fortunately, this guide gives college students who are required to take organic chemistry an accessible, easy-to-follow companion to their textbooks.

* With the tremendous growth in the health-care job market, many students are pursuing college degrees that require organic chemistry

* Ian Guch is an award-winning chemistry teacher who has taught at both the high school and college levels
