In this engaging and invaluable “mentor in your pocket,” three dynamic and successful black female executives share their strategies to help all black women, at any level of their careers, play the power game—and win.

Rich with wisdom, this practical gem focuses on the building blocks of true leadership—self-confidence, effective communication, collaboration, and courage—while dealing specifically with stereotypes (avoid the Mammy Trap, and don’t become the Angry Black Woman) and the perils of self-victimization (don’t assume that every challenge occurs because you are black or female).

Some leaders are born, but most leaders are made—and **The Little Black Book of Success** will show you how to make it to the top, one step at a time.

From the Hardcover edition.
