## When One Door Opens Jd Ruskin

Logan Sellers' parole officer has issued three commandments: Stay sober, stay employed, and stay out of trouble. At first, Logan thought those three simple rules would be easy to follow. But that was before he accepted a side job assisting his boss' housebound agoraphobic nephew Caleb.

Caleb is deceptively normal for a guy who hasn't left his apartment in three years, and his friendly, caring personality tugs on heartstrings Logan didn't know he had. But hitting on his boss' nephew is asking to be unemployed. Logan has enough problems with booze on every corner and a supervisor trying to jump into his bed. He doesn't need to work out how to free Caleb from the anxiety that keeps him in his apartment; he needs to keep his nose clean, attend his AA meetings, and make a fresh start *-alone*.

If only his heart would get with the program.
