**Amnesia (Italian Edition)** Silvia Matricardi

Amnesia è un racconto che si innesta subito dopo le principali vicende narrate nel romanzo Ardit, rivelando qualcosa del misterioso passato della protagonista principale di ELE: Evento Livello Estinzione, l'avvincente sequel che potrete leggere a partire da Natale 2014.

Conosciamo in anteprima questo intrigante personaggio e ritroviamo, al tempo stesso, una vecchia conoscenza: uno dei dodici eroi della spedizione che salvò l'intero genere umano; Chiaro, lo Spettro, il guerriero albino. Assistiamo all'incontro casuale ed all'intreccio delle esistenze di queste due anime tormentate, unite da fin troppe coincidenze. Una fase cruciale nella vita di entrambi e determinante per la sopravvivenza di milioni di persone. E' proprio questa breve storia, infatti, il fulcro che consente agli eventi di disporsi in modo da innescare quanto verrà raccontato in ELE. Amnesia è una storia di confine: fra amore ed amicizia, fra sacrificio e passione, fra destino e libero arbitrio.

Amnesia. La saga di Ardit volume 1

Ardea. Anno 2040. Shara è una misteriosa ragazza che si sveglia ogni mattina in amnesia totale, per poi recuperare una parte della memoria nel corso della giornata. La sua esistenza tormentata si incrocia ed intreccia con quella di uno dei dodici eroi che, decine di migliaia di anni prima, salvò l'intero genere umano. Il temibile guerriero albino: Chiaro, lo Spettro.

Quello che sembra un curioso incontro casuale fra due persone non ordinarie, accomunate da fin troppe coincidenze, si rivela essere cruciale nella vita di entrambi e determinante per la sopravvivenza di milioni di persone.

E' proprio questa breve storia, infatti, il fulcro che consente agli eventi di disporsi in modo da innescare quanto verrà raccontato in ELE.

Quale è, se esiste, il confine fra amore ed amicizia, sacrificio e passione, destino e libero arbitrio?

Amnesia è un racconto che si innesta subito dopo le principali vicende narrate nel romanzo Ardit, rivelando qualcosa del misterioso passato della protagonista principale di ELE: Evento Livello Estinzione, l'avvincente sequel in uscita a Natale 2014.
