Choices and Challenges: Charter School Performance in Perspective Priscilla Wohlstetter, Joanna Smith, Caitlin C. Farrell

Choices and Challenges distills the best research on charter schools to identify the factors that influence success. In this definitive work, the authors examine the track record of the charter sector in light of the wide range of goals set for these schools. They show how the evolution of the charter movement has shaped research questions and findings, and identify the questions that will drive the next level of work in charter schools.
