As a university student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally.
