In 30 years of climbing, Hans Florine has ascended the Nose route of El Capitan over 100 times, more than anyone else has, and most likely ever will. In *On the Nose*, Florine describes the most dangerous, pivotal, and inspirational of those climbs, providing a rare look inside the adrenaline-charged world of competitive climbing in Yosemite Valley. He tells of his very first attempt on the Nose, which ended in failure after 14 hours, his friendships - and rivalries - with climbing's most colorful personalities, and his battle with the late Dean Potter to secure the definitive speed record on the Nose - an endeavor that's been called "the wildest competition known to man".
