SHAKTI MANTRAS

Tapping into the Great Goddess Energy Within

- Enhance your spiritual gifts
- Lighten your karmic burden
- Improve your health and increase prosperity
- Live in harmony with the universe

Now, with *Shakti Mantras*, we can all benefit from this ancient practice. Thomas Ashley-Farrand, a Vedic priest, is an American expert in the intricacies of Sanskrit mantra. With nearly thirty years and thousands of hours of experience in chanting, he is supremely well-equipped to write the first book that teaches women (and men as well) to tap into the dynamic feminine energy of love in all its manifestations. By sharing enchanting Hindu myths and astonishing true stories from his own practice, Ashley-Farrand helps us to understand the real power that this age-old art awakens in those who perform it. Through dozens of actual mantras—each one presented with phonetic spelling for easy pronunciation and recommendations for specific applications—he enables us to increase our “shakti” (power) and use it to solve problems, ensure abundance, create health and well-being, summon protection, and invoke personal and universal peace.

Whether you’re new to chanting or an old hand, *Shakti Mantras* will take you places you’ve never been before . . . and measurably enrich your life.
