Slice William Patterson

Cut By Cut

When Jessie Clarkson left Sayer's Brook, Connecticut, she was pregnant, terrified, and married to a psychopath. She knew Emil would do anything to prevent her incriminating him--if he ever found her. Staying alive for the sake of her child was all that mattered.

Inch By Inch

Five years later, Emil is dead and Jessie is ready to stop running. With her daughter Abby starting school, going home to be among friends and family makes sense. Until the murders start. All the victims are viciously stabbed and slashed across the throat. And each of them has a connection to Jessie.

He's Getting Close Enough To Kill

Is Emil still alive, tracking her down--or do the answers lie elsewhere in her troubled past? One horrifying crime at a time, a killer is making his intentions clear. Jessie may have escaped Sayer's Brook once. But someone is making sure she never leaves again. . .

From reader reviews:

Barbara Baker:

Your reading 6th sense will not betray an individual, why because this Slice publication written by well-known writer who really knows well how to make book that could be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your hunger then you still doubt Slice as good book but not only by the cover but also from the content. This is one publication that can break don't ascertain book by its cover, so do you still needing an additional sixth sense to pick that!? Oh come on your looking at sixth sense already told you so why you have to listening to one more sixth sense.

Nancy Rush:

You may spend your free time to study this book this book. This Slice is simple to deliver you can read it in the recreation area, in the beach, train and also soon. If you did not have got much space to bring the actual printed book, you can buy the e-book. It is make you much easier to read it. You can save often the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Judith Duncan:

Many people spending their time period by playing outside having friends, fun activity using family or just watching TV the whole day. You can have new activity to invest your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Cell phone. Like Slice which is getting the e-book version. So , try out this book? Let's observe.

Joseph Dolezal:

Many people said that they feel weary when they reading a e-book. They are directly felt that when they get a half parts of the book. You can choose typically the book Slice to make your own personal reading is interesting. Your current skill of reading expertise is developing when you similar to reading. Try to choose basic book to make you enjoy to learn it and mingle the feeling about book and studying especially. It is to be very first opinion for you to like to available a book and go through it. Beside that the publication Slice can to be your new friend when you're really feel alone and confuse using what must you're doing of their time.
