The Druid Stone Heidi Belleau, Violetta Vane

Sean never asked to be an O'Hara, and he didn't ask to be cursed by one, either.

After inheriting a hexed druid stone from his great-grandfather, Sean starts reliving another man's torture and death...every single night. And only one person can help.

Cormac Kelly runs a paranormal investigation business and doesn't have time to deal with misinformed tourists like Sean. But Sean has real magic in his pocket, and even though Cormac is a descendant of legendary druids, he soon finds himself out of his depth...and not because Sean's the first man he's felt anything for in a long time.

The pair develop an unexpected and intensely sexual bond, but are threatened at every turn when Sean's case attracts the unwelcome attention of the mad *sidhe* lords of ancient Ireland. When Sean and Cormac are thrust backward in time to Ireland's violent history - and their own dark pasts - they must work together to escape the curse and save their fragile relationship.
