The Story of Scotland

Nigel Tranter, Nigel Trantner

The Story of Scotland Nigel Tranter, Nigel Trantner

Scotland's story cannot be told merely in terms of documentary evidence, for this would be to neglect an integral part of the nation's heritage. The legends, myths, stories and memories handed down from generation to generation must be added to the bare bones of factual record if the character of the country is to be truly revealed. Nigel Tranter was able to combine the two with a masterly hand, expertly weaving the colourful threads of folklore into the fabric of historical fact. Tranter was impeccably qualified to tell the story of Scotland, having written many books detailing the nation's rich past and he possessed an exceptional gift for storytelling. His account begins in the years before records made traditional history possible and ends with the transformation of Scotland during the 19th century into a workshop of the world and a source of pioneers for Britain's empire. In this perennial bestseller, Niigel Tranter's incomparable tale of a nation's enthralling history is the most comprehensible primer on the subject yet published. Before he passed away in January 2000, Tranter had written over 70 novels and several works of non-fiction, almost all of them historical works set in Scotland.

From reader reviews:

Kerri Goodman:

In this 21st hundred years, people become competitive in each and every way. By being competitive right now, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive enhance then having chance to remain than other is high. To suit your needs who want to start reading any book, we give you this The Story of Scotland book as nice and daily reading guide. Why, because this book is more than just a book.

William Phillips:

Are you kind of occupied person, only have 10 as well as 15 minute in your day to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you are having problem with the book when compared with can satisfy your short space of time to read it because this time you only find book that need more time to be go through. The Story of Scotland can be your answer because it can be read by an individual who have those short spare time problems.

Johnnie Gonzales:

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Story of Scotland can make you feel more interested to read.

Bryan Foxworth:

E-book is one of source of know-how. We can add our know-how from it. Not only for students and also native or citizen will need book to know the update information of year in order to year. As we know those guides have many advantages. Beside most of us add our knowledge, may also bring us to around the world. With the book The Story of Scotland we can have more advantage. Don't that you be creative people? To become creative person must choose to read a book. Only choose the best book that acceptable with your aim.
