Arnie Wexler's life as a gambler began on the streets of Brooklyn, New York, flipping cards, shooting marbles, and playing pinball machines. At age fourteen he found the racetrack, a bookie, and started playing the stock market. His obsession with gambling accelerated until a fateful day in 1968 when it all came crashing down.

Wexler's gripping narrative leads us through the dungeon of a compulsive gambler's world—chasing the big win and coming up with empty pockets—and how his addiction drove him and his wife, Sheila, to the edge of life. With help, they managed to escape, and together they have devoted themselves to helping others with the problem they know so well.
