Cape Cod New & Old Agnes Rothery

From the 1918 foreword: ""The old road to the Cape is lost and with it much of the dust, both of reality and romance. But a new road has opened, bringing every year hundreds and hundreds of automobiles; and literally thousands of men and women who would otherwise never breathe the balmy air or see those windswept moors. . . Surely, we old Cape-Codders must and do greet them all hospitably. It is for their special welcoming that this little book is written.""
