Dave Mustaine, Joe Layden

DAVE MUSTAINE Splendeur et misère d'une icône thrash (French Edition) Dave Mustaine, Joe Layden

Dave Mustaine est le premier à reconnaître que sa vie a été compliquée, et qu'il a connu tous les déboires possibles : une enfance détruite, des parents alcooliques, une éducation religieuse aliénante, une dépendance à toutes les substances imaginables, des revers professionnels violents... Après avoir été viré sans cérémonie de Metallica, il a créé Megadeth dont il est le chanteur-guitariste-compositeur-PDG, et s'est battu sans relâche contre ses démons pour mener à bien sa mission. Il livre ici une confession sans concessions. Considéré comme le père fondateur du thrash metal, il a créé quasiment tout seul ce style qui a fait la gloire de Megadeth et de Metallica. Avec plus de douze albums à son actif – de Killing is my Business... and Business is Good en 1985 au récent Endgame – Mustaine a composé des morceaux qu'on a qualifiés tout à la fois de poignants, introspectifs, ironiques et énervés. Megadeth a été nommé huit fois aux Grammy et a gagné six disques de platine. Mustaine vit à San Diego, en Californie. Joe Layden est un journaliste reconnu et auteur de best-sellers. Il a écrit plus de trente ouvrages, dont The Great Last Fight, que Sports Illustrated et l'American Library Association ont salué comme l'un de meilleurs livres sportifs de 2007. Il a également co-écrit There And Back Again et The Rock Says..., deux best-sellers du New York Times.
