## Maya's Notebook Low Price CD Isabel Allende

Neglected by her parents, nineteen-year-old Maya Nidal has grown up in Berkeley with her grandparents. Her grandmother Nini is a force of nature, a woman whose formidable strength helped her build a new life after emigrating from Chile in 1973. Popo, Maya's grandfather, is a gentle man whose solid, comforting presence helps calm the turbulence of Maya's adolescence.

When Popo dies of cancer, Maya goes completely off the rails, turning to drugs, alcohol, and petty crime in a downward spiral that eventually bottoms out in Las Vegas. Lost in a dangerous underworld, she is caught in the crosshairs of warring forces. Her one chance for survival is Nini, who helps her escape to a remote island off the coast of Chile. Here Maya tries to make sense of the past, unravels mysterious truths about life and about her family, and embarks on her greatest adventure: the journey into her own soul.
