The Compleat Crow

Brian Lumley

The Compleat Crow Brian Lumley

'He was tall and broad-shouldered, and it was plain to see that in his younger days he had been a handsome man. Now...his hair had greyed a little, and his eyes, though still very bright and observant, bore the imprint of many a year spent exploring--and often, I guessed, discovering--along rarely trodden paths of mysterious, obscure learning.'

Mysterious, obscure learning...

To many thousands of readers world-wide Titus Crow is the psychic sleuth--the cosmic voyager and investigator--of Brian Lumley's Cthulhu Mythos novels, from *The Burrowers Beneath* to *Elysia*.

But before *The Burrowers* and *Crow's Transition*, his exploits were chronicled in a series of short stories and novellas uncollected in the USA except in limited editions. Now these stories can be told again. From *Inception* which tells of Crow's origins, to *The Black Recalled*, a tale of vengeance from beyond the grave, here in one volume, from the best-selling author of the epic *Necroscope* series, is *The Complete Crow*.
