Arthur C. Brooks

The Conservative Heart: How to Build a Fairer, Happier, and More Prosperous America Arthur C. Brooks

[Read by P.J. Ochlan]

In *The Conservative Heart*, Arthur C. Brooks contends that after years of focusing on economic growth and traditional social values, it is time for a new kind of conservatism -- one that helps the vulnerable without mortgaging our children's future. In Brooks' daring vision, this conservative movement fights poverty, promotes equal opportunity, celebrates earned success, and values spiritual enlightenment. It is an inclusive movement with a positive agenda to help people lead happier, more hopeful, and more satisfied lives. Combining reporting, original research, and case studies, *The Conservative Heart* is an intelligent and compelling manifesto for renewal.
