Finding out your unborn child has been diagnosed with a poor or fatal prenatal diagnosis is devastating news sure to reverberate through your family's life forever. The emotional aspects of such a pregnancy and the practical implications of an adverse diagnosis are difficult to navigate. *The Prenatal Bombshell* is a warm and understanding companion guide through the journey from diagnosis and beyond once you've decided to either continue or end your precious pregnancy. Issues such as managing the pregnancy, delivery, termination, creating memories, future babies, and the long term impact of such a traumatic experience are all covered in detail. The lived experiences of other women who have gone through this journey are also included to provide hope, support, and guidance through difficult times.

*The Prenatal Bombshell* does not attempt to convince women to make a particular choice about their pregnancy. It supports them from their choice onwards in a way that is honest, informative, and reliable. Filled with stories and testimonies, this is a helpful book to have during, and well beyond, a poor prenatal diagnosis.
