Walk: How to Apply the Bible (Bible Savvy Series) James L. Nicodem

How do we draw practical applications from the Bible?

Reading the Bible should be like gazing into a mirror—we should look for a true reflection of ourselves and note the changes that need to be made in our lives. But how is this done?

Pastor Jim Nicodem encourages us in this difficult but vitally important challenge. Using the COMA method (Context, Observation, Message, Application), he offers helpful and understandable instruction on how a Christian can learn to “walk” what the Bible teaches as we go through life.

Perfect for believers at any stage and those discipling others, *Walk* is a wonderful guide for those seeking to follow Jesus, honor God, and walk in the way of the Word.
