## **Will the REAL You Please Stand Up?: 7 Spiritual Strategies to Help You Discover Your Purpose and Live It with Passion and How to Live Your Life Authentically** Fran Harris

An authentic, joyful life can be hard to find. Fortunately, Fran Harris has written the map—in 7 steps anyone can take.

Successful, self-actualized and blissful: how many of us can say that about ourselves?

Fran Harris sure can. She's a national television personality, WNBA Champion, international inspirational speaker, life coach and consultant to Fortune 500 companies. But ask her about her greatest accomplishment, and she's likely to smile and say, "That's easy: I found the REAL me."

Because she believes we should *all* experience that journey, Fran's new book reveals her secrets for scrapping what we *think* we know about authenticity so that we can see and live up to our own potential. Her "7 Steps" are unconventional—and maybe controversial—but they work.

Dr. Harris teaches that we'll only find our real selves by shedding all the layers of institutionalized belief, dogma and practice that we pile on in life—eschewing ritualized adherence in favor of a deeper, more spiritual view of the world and ourselves. This, she contends, is what "God" wants for us. According to Harris, when we become unburdened by society's expectations, we are free to experience true joy, more capable of tapping into our own genius, and more likely to attract abundance and prosperity in all areas of our lives.

A life of passion and purpose is everyone's birthright. Get yours!
