Into the Night Janelle Denison

A former Marine and Las Vegas Vice cop, Nathan Fox has seen it all and then some. Heading up security for The Onyx Casino is tame compared to his past, but it's not his only job. Working for The Reliance Group is his real passion project. His current case: A missing woman. His mission: To find her. But soon Nathan must deal with a stubborn—and stunning—journalist who's nosed her way into the investigation...and into Nathan's fantasies.

To reporter Nicole Hutton, exposing a ruthless, twisted criminal who abuses vulnerable teens isn't just a job. In fact, this story has become very personal, especially now that she's gotten tangled up with sexy Nathan Fox. But before she can break the story, and help rescue a missing girl, she and Nathan must brave the labyrinth of Vegas's dark underbelly...where the heat simmering between them is about to burst into flames...

From reader reviews:

Rhonda Yowell:

Book will be written, printed, or descriptive for everything. You can learn everything you want by a book. Book has a different type. As it is known to us that book is important matter to bring us around the world. Beside that you can your reading talent was fluently. A publication Into the Night will make you to be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think which open or reading a new book make you bored. It is far from make you fun. Why they might be thought like that? Have you searching for best book or appropriate book with you?

Avery Thomas:

What do you think about book? It is just for students since they are still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that issue above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't would like do that. You must know how great in addition to important the book Into the Night. All type of book is it possible to see on many options. You can look for the internet sources or other social media.

Steve Pinson:

As people who live in often the modest era should be change about what going on or data even knowledge to make these keep up with the era which can be always change and move ahead. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This Into the Night is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Manuel Frazier:

Many people spending their moment by playing outside using friends, fun activity having family or just watching TV all day long. You can have new activity to enjoy your whole day by reading a book. Ugh, think reading a book can definitely hard because you have to take the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smartphone. Like Into the Night which is keeping the e-book version. So , try out this book? Let's see.
