Jim Guthrie: Who Needs What (Bibliophonic) Hood

Jim Guthrie: Who Needs What tells the story of a musician whose twenty-year career has been spent either at the forefront of Canada's indie rock renaissance or in the background of some of the most popular indie games, films, and ad campaigns of the past decade. Through interviews with Jim, his collaborators, and fans, this book explores how a self-described "Seabiscuit" earned a cult following and became a major influence to musicians at home and abroad—all without really having to leave his basement.
