King Messiah in His Holy Temple: Part 2 John McTernan, Louis Ruggiero

This book serves as a warning to those who are looking at the events in Israel and believe that the next temple is the true Messiah's. The book with great detail shows how to tell the true temple of King Messiah from the one defiled by the false messiah, the Antichrist.

The Bible teaches that Israel will rebuild a temple. Though the Dome of the Rock currently stands on the place where the temple is to be built, there will come a day when it will be removed. Israel will then build a temple which will be used by the Antichrist to deceive multitudes. From the events taking place in Israel and the Middle East, that day could be rapidly drawing near.

Ezekiel 40-48 clearly illustrates that, unless this future temple is built in accordance with these chapters, it will not be King Messiah's temple. It will not be the temple through which the true King of Israel, the Lord Jesus, will reign and be seated on His magnificent throne of glory.
