**Adding honor as a factor in raising kids ...and parent-child relationships.**

Dr. Scott Turansky and Joanne Miller offer a thorough program for establishing honor as a basis of family life — not just children honoring parents, but parents respecting children and children honoring each other. Even if honor seems a long way off in your household, you will find practical suggestions here to bring that goal a little closer — suggestions for kids of all ages. Honor is the biblical value that will bring about good behavior. It's more than just changing what kids do; it's changing the deeper issues of the heart that triggered the behavior.
