# Under a Hoodoo Moon: The Life of the Night Tripper

*Mac Rebennack, Jack Rummel*

**Under a Hoodoo Moon: The Life of the Night Tripper** Mac Rebennack, Jack Rummel

*Under a Hoodoo Moon* is one of rock's most original and infectious autobiographies. In its pages, Dr. John, the alchemist of New Orleans psychedelic funk, tells his story, and what a story it is: of four decades on the road, on the charts, in and out of trouble, but always steeped in the piano-based soulful grind of New Orleans rhythm & blues of which he is the acknowledged high guru. From childhood as a prodigal prodigy among 1950s legends from Little Richard and Fats Domino to sessions with the Rolling Stones and the Band; from recording studio to juke joint to penitentiary to world tours; from Mac Rebennack to Dr. John the Night Tripper, this is the testament of our funkiest rock storyteller. Full of wit and wordplay, tales of hoodoo saints and high-living sinners, *Under a Hoodoo Moon* casts a spell as hard to resist as Mardi Gras itself.
