Colombia before Independence: Economy, Society, and Politics under Bourbon Rule (Cambridge Latin American Studies)

Anthony McFarlane

Colombia before Independence: Economy, Society, and Politics under Bourbon Rule (Cambridge Latin American Studies) Anthony McFarlane

This book describes and analyzes economic and political developments in Colombia during the final century of Spanish rule. Its purpose is threefold: first, to provide a general portrait of Colombian society during the late colonial period, showing the character of economic, social, and political life in the territory's principal regions; second, to assess the impact on the region of European imperialist expansion during the eighteenth century; and third, to provide a context for understanding the causes of independence. The book offers the only available survey of Colombian history and historiography for this period.
