CONTRA TODA CREENCIA (Spanish Edition) Vicente Gallego

El hombre es esclavo de mil creencias: cree que existe el día de mañana, y jamás se ha movido del aquí y ahora. Cree que hay algo así como lo conveniente e inconveniente, sin ver la agilidad con que lo malo deviene bueno y viceversa. Cree que existen realmente las ganancias y pérdidas, como si la muerte no existiera. En definitiva, cree devotamente en su persona, que lo esclavizará mientras viva entre ilusiones. Este es el diagnóstico que hace este ensayo. ¿No es la vida en el tiempo, en su espléndida gratuidad, un sueño al fin y al cabo? ¿Es posible que despertemos, reconociéndolo como tal, al fraternal desapego, a esa lucidez insobornable del amor, a la belleza dada? Solo mediante una cabal práctica de vida: desoírse y sentarse en la evidencia. ¿Cabe una religiosidad que vaya contra toda creencia, que nazca allí donde el alma se ha librado de sus dos peores carceleras, la imaginación y la esperanza? La propuesta de este libro es clara y radical: la auténtica religiosidad solo puede ser el fruto de la extrema pobreza, la que nada ambiciona, la que nada se arroga, la que sabe sin saber y hace de la eterna desposesión su morada de alegría. El que haya tocado el fondo de sus desengaños y esté ansioso por iniciar la aventura de dar consigo en su cumplida desnudez, encontrará en este libro, cuyas palabras bullen en la vivaz temperatura de la poesía, el aliento de muchos de los hombres que lo precedieron en el hallazgo de lo desconocido, de lo increíble, de lo inmediato, de lo enteramente nuevo y vivo.
