## **Dei verbum - Texto e comentário (Portuguese Edition)** Geraldo Lopes

Pela primeira vez um Concílio estudou, de forma sistemática em sua natureza e em seus traços específicos, a revelação, que é a realidade primeira e fundamental do Cristianismo. A Dei Verbum recolocou no justo caminho a Bíblia e a Tradição, pois ambas são os modos da transmissão da revelação que se comunicam estreitamente entre si, já que têm em Deus o mesmo fundamento e o mesmo autor. Esta Constituição exerceu um poderoso impacto sobre a comunidade cristã para que o uso diuturno da Escritura voltasse à vida da Igreja. Repetindo a frase de São Jerônimo, de que a ignorância da Escritura é a ignorância de Cristo, Foi longo o caminho da Constituição Dei Verbum até a sua aprovação. Há uma história indireta tecida pelos movimentos e estudos que precederam o Concílio e que unida ao labor conciliar fez com que se tornasse o documento mais qualificador do Concílio.
