Antropophagya (Portuguese Edition)

Marius Arthorius

Antropophagya (Portuguese Edition) Marius Arthorius

Ao nos depararmos com o título deste livro, logo imaginamos que nele estão contidas palavras que deixam rastros sanguíneos, e nenhuma amostra vital. No entanto, é em seu título que está o que se oculta por entre as linhas desta suntuosa obra, os dois estágios em que uma pessoa pode encontrar-se durante seu ciclo terráqueo: a vida e a morte. Marius Arthorius tem grandes semelhanças com o poeta pré-modernista Augusto dos Anjos, que deixou seu nome enraizado na história literária brasileira desde o início do século XX. Assim como Augusto, Marius é possuidor de um estilo diferenciado ao compor seus versos. Usa uma linguagem científica muito bem planejada e estruturada, com elementos que vão desde um átomo até multiversos. Além, é claro, da temática mais freqüente em seus poemas, a morte. Inspirado no Manifesto Antropófago composto por Oswald de Andrade, o autor procura compor poemas de diversificados sentimentos aliados a críticas à sociedade, criando uma obra ímpar. Uma peculiar característica de Marius é deixar a critério do leitor a percepção de simbologias com um significado a ser compreendido. Antropofagia. Degustação de carne humana. Aqui estão folhas impressas para não serem simplesmente lidas. Parafraseando o próprio autor: “Devore cada palavra como se estivesse em um ritual antropofágico”, onde cada naco de carne seria a absorção dos sentimentos e conhecimentos contidos nesta obra. Deixe-se compartilhar os sentimentos do autor. Viva, ame, odeie, morra. Pois como enunciaria Oswald de Andrade, Só a Antropofagia nos une. Culturalmente... Emili Bortolon dos Santos
