High Tea Sandra Harper

Magpie's Tearoom is a cozy haven in bustling L.A. -- a place for luncheons, baby showers, or simply hanging out. Its owner, British expat Margaret Moore, relishes tradition...but between a frustrated chef preoccupied with her neglectful producer girlfriend and the tearoom's waitstaff -- a talented but desperate TV star who hasn't acted since *Detective Buck Love* went off the air, and a twenty-something ingénue who'll do anything to get the part -- her grandmother's scones begin to feel irrelevant.

When the critic from *Tea Talk* announces she is crossing the pond to visit, Margaret attempts to marshal her staff. But, being of the thespian variety, they all want to be doing something else. Yet despite the high personal drama at hand, the customers still demand their perfectly steeped tea and cucumber sandwiches....

As Margaret battles pilot season and produce-coordinator malfunctions, she begins to lose her will to live...in L.A.

But can her L.A. neighborhood do without her tearoom?

In this delightful debut novel with delicious recipes thrown in, Sandra Harper creates a hilarious world where Earl Grey and watercress make a meal, buttering the scones may get you scolded, and nobody does eggs anymore. Warm up the kettle and pull up a seat -- you don't want to miss *High Tea*!

From reader reviews:

Christy Fowler:

The book High Tea can give more knowledge and information about everything you want. Exactly why must we leave the good thing like a book High Tea? A few of you have a different opinion about guide. But one aim that book can give many details for us. It is absolutely right. Right now, try to closer with the book. Knowledge or info that you take for that, you are able to give for each other; you could share all of these. Book High Tea has simple shape nevertheless, you know: it has great and large function for you. You can seem the enormous world by open and read a guide. So it is very wonderful.

Kevin Caputo:

The guide with title High Tea contains a lot of information that you can learn it. You can get a lot of profit after read this book. That book exist new knowledge the information that exist in this book represented the condition of the world right now. That is important to yo7u to understand how the improvement of the world. This book will bring you with new era of the globalization. You can read the e-book on your smart phone, so you can read the item anywhere you want.

John Gravatt:

This High Tea is great book for you because the content and that is full of information for you who all always deal with world and get to make decision every minute. This kind of book reveal it data accurately using great plan word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with lovely delivering sentences. Having High Tea in your hand like having the world in your arm, data in it is not ridiculous one. We can say that no guide that offer you world with ten or fifteen moment right but this guide already do that. So , this is good reading book. Hey there Mr. and Mrs. stressful do you still doubt which?

William Kavanaugh:

That e-book can make you to feel relax. That book High Tea was colorful and of course has pictures on there. As we know that book High Tea has many kinds or category. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and believe you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading which.
