Martin Luther

Luther's Works, Volume 76: Church Postils II (Luther's Works (Concordia)) Martin Luther

Luther's collected sermons for the church year were originally published in two series: the Church Postil and the House Postil. These were among his most popular works. Aside from his catechisms, they did more to teach people the Reformation than any other book. The new translation of the Church Postil follows the last edition of Luther's life, from 1540–1544, and includes Luther's often-extensive revisions to his own work, with significant variant readings from earlier editions translated in the footnotes. This volume includes the sermons on the Epistle and Gospel readings from New Year through Holy Week, plus "Meditation on the Holy Suffering of Christ" and "Sermon on Confession and the Sacrament." The appendix contains Luther's prefaces to earlier editions of the Church Postil. All the sermons include footnotes indicating Luther's edits over the course of his life, all rendered in clear, lucid English. Fully indexed. Edited by Benjamin T.G. Mayes and James L. Langebartels.
