Questions from Those Who Know: Sensory Processing Disorder Cindy M. Jusino, Jeanette Baker

As a mother of a child with sensory processing disorder, I know you can have many unanswered questions about your child's or loved one's diagnosis. That is where the idea of "Questions From Those Who Know" came from. I teamed up with Jeanette Baker, founder of the popular Sensory Processing Disorder Parent Support Group, and reviewed the most asked questions. Here you will see the result of what others have to say helped their children with SPD. Research shows early intervention is key; yet, it can be overwhelming to know where to begin to help your child. We hope that this book will bring you ideas that have worked for others, as well as comfort that you are not alone! We also hope it helps spread knowledge of what SPD is and what it is like to live with.

*Paperback version includes a bonus poem on SPD from Jeanette Baker.
