Deborah L. Martin, Barbara Pleasant

Develop mature compost right in your garden. Barbara Pleasant and Deborah Martin explain their six-way compost gardening system in this informative guide that will have you rethinking how you create and use your compost. With your plants and compost living together from the beginning, your garden will become a nourishing and organic environment that encourages growth and sustainability. You'll also find that the enriched soil requires less tending, weeding, and mulching, so you can do less back-breaking work for the same lush, beautiful results.
