Make Your Won Enchanted Candles and Make Your Dreams Come True!

For centuries, Pagan seekers of Love, fortune, health, healing, and protection have used candles as a virtual part of their rituals. That's why Wiccan expert and practitioner Lady Rhea began creating enchanted candles over twenty years ago- each of them hand carved, encased in glass, and embellished with seals, oils, and other decorations.

Now, to show you how to create your very own enchanted candles at home, Lady Rhea has written a book based on her underground classic of the same name-designed to meet your specific needs and personalized by your won guiding spirit. Using the powers of fragrance, color, shape, exotic oils, and fire, these candles are the perfect vessels to send your spells and wishes out into the astral realm. Lady Rhea shows you:

* The best colors and magical oils to sue to promote your spell * How to create your own personal alter or other sacred space * Why it's crucial to be clear about why you want when casting a spell * How to work with astrology, without letting the planets rule you * Plus 50 illustrations of unique seals you can carve into your candles-each accompanied by its own spell and directions for how to make it work.
