Austin Osman Spare

Zos-Kia Le livre du plaisir (Camion Noir) (French Edition) Austin Osman Spare

Zos : Pensée consciente symbolisée par les cinq doigts de la main. Kia : Clé de la compréhension de Soi, symbolisée par l'œil. Austin Osman Spare, occultiste disciple d'Aleister Crowley et artiste visionnaire maudit, est considéré comme le père de la magie du Chaos. ZOS-KIA, le livre du plaisir est une anthologie exhaustive de ses écrits et grimoires. La technique mise en avant par Spare est la réalisation de sigils, symboles formés par des lettres stylisées condensant les désirs de leur auteur. Elle a depuis été reprise par maints artistes dans leur propagande visuelle, d'Alan Moore à Genesis P-Orridge. Somptueusement illustrés de dessins induits lors de sessions d'écriture automatique, les grimoires de Spare s'affranchissent des règles de la magie traditionnelle et explorent un nouveau monde centré sur la recherche du plaisir dissimulé sous les strates de l'intellect et de l'émotion. Un plaisir « atavique », primordial et accessible par l'exploration des tréfonds de son inconscient, un monde où le désir se cristallise en petits symboles élégants. « Nous devenons tels à nos désirs, que ceux-ci soient ceux d'un Dieu, d'un homme, d'une bête ou d'un avorton, nous y devenons semblables. » — Austin Osman Spare
