Julia Glass

And the Dark Sacred Night: A Novel Julia Glass

In this richly detailed novel about the quest for an unknown father, Julia Glass brings new characters together with familiar figures from her first two novels, immersing readers in a panorama that stretches from suburban New Jersey to rural Vermont and ultimately to the tip of Cape Cod.

Kit Noonan is an unemployed art historian with twins to help support and a mortgage to pay—and a wife frustrated by his inertia. Raised by a strong-willed, secretive single mother, Kit has never known the identity of his father—a mystery that his wife insists he must solve to move forward with his life. Out of desperation, Kit goes to the mountain retreat of his mother’s former husband, Jasper, a take-no-prisoners outdoorsman. There, in the midst of a fierce blizzard, Kit and Jasper confront memories of the bittersweet decade when their families were joined. Reluctantly breaking a long-ago promise, Jasper connects Kit with Lucinda and Zeke Burns, who know the answer he’s looking for. Readers of Glass’s first novel, *Three Junes*, will recognize Lucinda as the mother of Malachy, the music critic who died of AIDS. In fact, to fully understand the secrets surrounding his paternity, Kit will travel farther still, meeting Fenno McLeod, now in his late fifties, and Fenno’s longtime companion, the gregarious Walter Kinderman.

And the Dark Sacred Night is an exquisitely memorable tale about the youthful choices that steer our destinies, the necessity of forgiveness, and the risks we take when we face down the shadows from our past.

This eBook edition includes a Reading Group Guide.

From reader reviews:

Mae Saari:

Book is actually written, printed, or highlighted for everything. You can realize everything you want by a reserve. Book has a different type. As we know that book is important thing to bring us around the world. Close to that you can your reading expertise was fluently. A book And the Dark Sacred Night: A Novel will make you to be smarter. You can feel far more confidence if you can know about anything. But some of you think this open or reading some sort of book make you bored. It's not make you fun. Why they could be thought like that? Have you trying to find best book or ideal book with you?

Rosalind Bowlin:

This And the Dark Sacred Night: A Novel is great guide for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. That book reveal it information accurately using great arrange word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having And the Dark Sacred Night: A Novel in your hand like obtaining the world in your arm, details in it is not ridiculous just one. We can say that no guide that offer you world in ten or fifteen moment right but this reserve already do that. So , this really is good reading book. Hi Mr. and Mrs. stressful do you still doubt in which?

Ronald Marinelli:

As we know that book is important thing to add our knowledge for everything. By a e-book we can know everything we really wish for. A book is a group of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This book And the Dark Sacred Night: A Novel was filled about science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading any book. If you know how big good thing about a book, you can really feel enjoy to read a book. In the modern era like now, many ways to get book which you wanted.

Roger Richmond:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this And the Dark Sacred Night: A Novel can make you feel more interested to read.
