Febre amarela: a doença e a vacina, uma história inacabada (Portuguese Edition)

Jaime Larry Benchimol

Febre amarela: a doença e a vacina, uma história inacabada (Portuguese Edition) Jaime Larry Benchimol

Resgata a história da produção da vacina contra a febre amarela, desde 1937, permitindo uma revisão dos ensinamentos de Oswaldo Cruz. Esta obra interessa não só ao leitor estudioso da febre amarela, mas também aos que querem saber mais sobre o desenvolvimento da vacina e dos estudos e estratégias de imunização. Além de rever aspectos técnicos, o livro traz informações sobre os estudos realizados, colaborando com pesquisas futuras. Ao se associar à Casa de Oswaldo Cruz e promover este trabalho, na celebração de seus 25 anos, Bio-Manguinhos reconhece a importância da pesquisa histórica, considerando-a como perspectiva para a compreensão das instituições e seus atuais desafios.

Prêmio Jabuti 2002: Menção Honrosa na Categoria Ciências Naturais e Ciências da Saúde

From reader reviews:

Sheila Rivera:

A lot of people always spent their own free time to vacation or maybe go to the outside with them household or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read a new book. It is really fun for yourself. If you enjoy the book which you read you can spent all day long to reading a publication. The book Febre amarela: a doença e a vacina, uma história inacabada (Portuguese Edition) it doesn't matter what good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. In case you did not have enough space bringing this book you can buy typically the e-book. You can m0ore very easily to read this book from your smart phone. The price is not to cover but this book provides high quality.

Kay Davidson:

Reading a book for being new life style in this season; every people loves to examine a book. When you learn a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, in addition to soon. The Febre amarela: a doença e a vacina, uma história inacabada (Portuguese Edition) offer you a new experience in reading through a book.

James Floyd:

A lot of book has printed but it is unique. You can get it by online on social media. You can choose the most effective book for you, science, comic, novel, or whatever by means of searching from it. It is identified as of book Febre amarela: a doença e a vacina, uma história inacabada (Portuguese Edition). You'll be able to your knowledge by it. Without making the printed book, it can add your knowledge and make anyone happier to read. It is most important that, you must aware about book. It can bring you from one place to other place.

Patrice Lach:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information from the book. Book is written or printed or illustrated from each source this filled update of news. On this modern era like at this point, many ways to get information are available for an individual. From media social including newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just searching for the Febre amarela: a doença e a vacina, uma história inacabada (Portuguese Edition) when you needed it?
