For the Love of Gelo! (Space Rocks!)

Tom O'Donnell

For the Love of Gelo! (Space Rocks!) Tom O'Donnell

Chorkle and its human friends Hollins, twins Becky and Nicki, and Little Gus (who is now lobbying to be called Medium Gus) have been warped to a strange new galaxy. When Kalac is stranded on neighboring planet Kyril, the gang takes matters into its own hands (and thol'grazes) and sets off on a daring rescue mission. Along the way, they'll befriend a whole new species and form some very unlikely alliances, all while navigating bizarre and dangerous terrain.

Can they manage to save Kalac? Or are they doomed to warp through the galaxy forever?

With brilliant prose and unforgettable characters, *For the Love of Gelo* is filled with adventure, laughs, and a ton of heart.

“O'Donnell's debut is an imaginative, smart and laugh-out-loud adventure. Chorkle is charming, and its alien perspective on the human invaders and the ensuing culture clash never falters.”—*Kirkus*
