In a starred review, *Booklist* called the Just Grace series “hilarious” and said, “Give this to . . . anyone looking for a funny book.” Grace is a curious and well-meaning third-grader who occasionally gets into a little bit of trouble. This time, her class is putting on a play, and Grace is determined to be the star! But things don’t work out quite like she planned, and Marta gets the role. Grace is jealous at first, but soon realizes there’s more than one way to shine on stage. This is an act that fans of Judy Moody and Clementine surely won’t want to miss!
