Zoe Logan has always believed that those she loves will always leave her. It's why she fights so hard against anyone getting close, but when sexy defense Gavin Ferrara zeroes in on her, she finds herself falling hard and exploring the hidden parts of herself that he brings out in her.

Gavin's always trusted that playing hockey is the most important thing to him. But when a strange encounter from months ago leads to more between him and the local bar owner's daughter, he's torn between what he wants and what's best.

WARNING: This book contains a threesome hot enough to scorch the sheets, a dirty talking Russian, a bisexual Italian, the college virgin who brings both of them to their knees, and the best anatomy and physiology study session ever.
