Feel the fear and do it anyway. Extreme photographer Lysander Brock is accustomed to challenging places and situations but nothing can prepare him for the journey that his dominant lover, Kyle Dawson, takes him on. A commission to photograph the cloud forests of the Colombian Andes becomes the cover for a dangerous mission to expose a terrorist group. Kyle and Lysander must negotiate treacherous terrain, a hazardous climb and unexplored caves to achieve their goal. When Lysander is captured and tortured, he has no expectations of rescue. He understands that his life comes second to the mission but Kyle has no intention of leaving his beautiful, submissive lover in the hands of a madman. Kyle can deal with the intense pressure of fighting lethal enemies but the guilt of pushing Lysander into a life he never asked for is much harder to accept. Lysander and Kyle journey together into a life of adventure, Dominance and submission, and an uncertain future.
