### The America We Deserve Donald Trump

Throughout *The American We Deserve*, Donald Trump points out problems and offers sensible, practical solutions. To help him formulate his ideas into well-researched and workable policies, Donald Trump has secured the support and counsel of a group of domestic and foreign policy advisers, all with White House or senior policy experience.

In *The American We Deserve*, Donald Trump lays out his concerns and solutions, virtually a platform on the major political issues facing our country. But this is not a dry, public-policy book. This is Donald Trump taking on the issues in his no-nonsense, unvarnished manner, offering populist, provocative, and sometimes dramatic solutions that no other politician would dare to put forward.

In three best-selling books, Donald Trump used stories of his deal-making and his dazzling life to captivate readers with his version of just how far you can go if you dream the American Dream. In *The American We Deserve*, Trump takes all that he has learned from his successes, his failures, and his extraordinary comeback and uses those lessons to build a vision of what needs to be done to ensure that the American Dream he dreamed continues to be a possibility for everyone.
