The Parables of Jesus

Luise Schottroff

The Parables of Jesus Luise Schottroff

A premier New Testament scholar explores how Jesus' trial and execution are portrayed in the New Testament and how that portrayal has affected biblical studies, Christian theology, and Jewish-Christian relations through history. Tomson has written an accessible, responsible analysis of the biblical accounts of Jesus' death, demonstrating how, through compounded misunderstandings, they contributed to anti-Jewish sentiment in the early church and later history. Tomson's question of how Jesus is to be understood in his first-century Judean context is a critical one not only for biblical scholars, but for anyone concerned about human rights and interreligious dialogue today.
